

GREATER BOSTON CHAPTER OF ASSP PRESENTS

VIRTUAL TECHNICAL MEETING FEATURING ROUX

FUNDAMENTALS OF INDUSTRIAL HYGIENE

Join the GBC of ASSP for an engaging and timely meeting with Roux Associates. Their staff will lend their expertise and provide an overview of industrial hygiene fundamentals. The overview will include a review of how to identify and control occupational exposures as well as addressing Indoor Air Quality and a high-level review of new guidance related to Indoor Air Quality (e.g., ASHRAE standard 241-2023 for Control of Infectious Aerosols).

 **THURSDAY**
14 NOVEMBER, 2023
